PROFESSIONAL SUMMARY

Creative and detail-oriented Front-End Web Developer with a strong foundation in HTML, CSS, JavaScript, TypeScript, Tailwind CSS, Bootstrap, React.js, and Next.js. Trained at Gomycode Hackerspace, I bring hands-on experience in building responsive, user-friendly web interfaces and a passion for clean, efficient code. Adept at translating UI/UX designs into functional web components, collaborating in agile teams, and continuously learning new technologies to deliver high-quality digital experiences. Eager to contribute to innovative projects and grow within a forward-thinking development team.
